

Indoor Eventing Fun Day at Houghton University Equestrian Center

April 1, 2023

\$40 per horse/rider pair for an hour of schooling

For the first time, we are offering an indoor cross country schooling opportunity to get some extra practice in before the start of the eventing season. Hour long time slots will be available to rent our large indoor arena where individuals or groups of up to 5 riders are able to school. There will be a mix of Starter and Beginner Novice fences in the arena as well as some stadium fences where height can be adjusted. This is a great opportunity to get some off property schooling in a fun and friendly environment.
